EARLY COLLEGE EDUCATION EXPERIENCE

CURRICULUM

Our curriculum at SCA prepares your student for future success in all that they do. One of the notable facts about our high school program is that all of our high school classes are taught at honors level. Our curriculum is integrated between classes taken here at SCA and classes taken at Brunswick Community College. Below are sample courses students may take at SCA:

ENGLISH:

Honors English I
Honors English II
English III
English II2
English 231
English 232
Public Speaking 110

HISTORY:

Honors World History
Honors US History I & II
Civics & Economics
World Civilizations121
World Civilizations 122
US History 131
US History 132

ELECTIVES:

Yearbook
Band
Art
Teacher Cadet
Program
Basketball
Drama
STEM

SCIENCE:

Earth &
Environmental
Biology
Chemistry
Biology 110
Chemistry 151

MATH:

Honors Algebra I
Honors Algebra II
Honors Geometry
Pre-Calc Math 171

BIBLE:

Freshman Bible
New Testament
Old Testament

PE:

Health & PE
Cross Country
Soccer

BRUNSWICK COMMUNITY COLLEGE:

Additional classes available for our students from BCC may be found on BCC's website.

Classes in orange are taken through BCC. Course offerings change yearly.

ACADEMIC ADVISING:

		SOC 210	College Elective
		PSY 150	College Elective
		BIO 110	College Elective

This plan allows your student to graduate with a High School Diploma and an Associates Degree!

College Test:

SAT/ACT: As a requirement for graduation, all juniors at SCA must take the SAT (Scholastic Aptitude Test) or the ACT (American College Test). Both of these test are widely used by college as a factor or acceptance and scholarships for students.

College Acceptance:

Typically, 100% of the graduates of SCA pursue post secondary education. SCA Alumni have successfully completed advanced degrees in many fields.
